DECISION NUMBER : 3 / 2017

DECISION DATE : 26 APRIL 2017

Subject of Resolution:

Discussion of April 2017 – April 2018 Activity Schedule.

Decision Text: At the 26th of April 2017 International Universities Search and Rescue Council General Assembly Meeting;

It has been decided unanimously/with majority vote that:

- On the occasion of the 13 October United Nations Disaster Risk Reduction Day, it is decided unanimously to plan activities (seminars, panels, workshops, drills etc.) that will raise awareness together with member universities and non-governmental organizations in the countries, invite each other as guest or participant in line with the planned activities, and also send performed activities to the Council Board for publishing them on the official web page of the council "iusarc.org"
- The 2018 Search and Rescue Games will be held at "INTERNATIONAL" level, in the Republic of North Cyprus during the last week of April and first week of May 2018; the university teams participating in the games will be composed of six members - four men and two women; and a member of the academic staff will lead each team in the games,
- We will work in coordination with the Head of the Council regarding increasing the number of member universities of the Council, and that possible developments will be communicated to the Head of the Council.
- International Universities Search and Rescue Council Presidency will apply for "Institutional Membership" to "The International Emergency Management Society" which was established in 1993 at Washington-USA and centered in Belgium, performing activities with the aims of the exchanging of information, methodology innovations and new technologies, improving society's ability to avoid, mitigate, respond to, and recover from natural and man-made disasters.
